FULL NAME OF RESPONDENT Deanna Miglio DATE OF INCIDENT: 08.19.14

SECTIONS OF CODE OF CONDUCT POTENTIALLY VIOLATED: Sec. 2-130. - Standards of conduct
(a) (1) AND (a) (2) AND Sec. 2-128- Responsibility of public office

DESCRIPTION OF MISCONDUCT OR WRONG DOING WITNESSED: My supervisor, Deanna Miglio, purposefully went behind my back and lied to a contractor I manage. I am the County Review Appraiser and have been trying for months to set up a time for our appraiser to inspect a property. Deanna dragged her feet for months reaching the contact person, then abdicated the responsibility to me knowing full well that the contact person refused to return calls. She then, without informing me, set up an inspection time with someone else and went on the inspection herself with the appraiser despite the fact that it isn't her job. She told the appraiser "I wasn't interested in going".

This is a complete lie and I have emails that prove it. She only did this to embarrass me and make it look like I don't want to do my job. All the while, she is dumping her work on me because she supposedly doesn't have time to do it. Yet she has plenty of time to micromanage me and screw up my work. Deanna is a liar and has been caught on numerous occasions lying to both me and other employees. I thought honesty was the core trait required for a public servant. Deanna is completely dishonest, petty, manipulative, vindictive, and above all, incompetent. She is also completely enabled by her supervisor, Steve Miller. I refuse to work for either one of them at this point.
